2021 Summer Independent Reading Grades K-5

Dear Parents and students,

Summer is a time for leisure and relaxation. It is, therefore, an excellent opportunity to engage in some leisurely and relaxing reading. The Denville Township School District is founded on the belief that encouraging students to read year round is a key element in the development of lifelong learners.

This year, we are asking that students, along with their families, carefully choose the titles that will most interest them. All books are free-choice, but should be independent level appropriate. Students should take this as an opportunity to explore a subject or an author they are interested in. ***Students in grades K-2 should read at least 3 titles, and students in grades 3-5 should read at least 2 chapter books.***

The form below needs to be completed by parents as verification of completion of the reading. This will be the first homework grade of the school year. Enjoy your summer & happy reading!

Please fill out, sign and return the bottom portion to your teacher by the end of the first week of school.

My child, _____, read the following book(s) this summer.

Title: _____

Author: _____

Title: _____

Author: _____

Title: _____

Author: _____

Parent Signature: _____ **Date:** _____

Summer Fun with Reflex!

Dear Parents/Guardians,

Help your child avoid the “summer slide” and encourage them to use their Reflex account this summer! Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

- Students are encouraged to login to **Reflex** math through their student portal at least 3 times a week and strive for the “**green light**” each time.
- Your child can utilize the **Reflex** math program from any device with internet access throughout the summer.
- **Reflex** helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.
- **Reflex** continuously monitors your child’s performance to create an optimal experience for them.
- Parents can easily monitor their child’s progress by creating a [Free Reflex Parent Account](#). Use the instructions on the right to Create your Parent Account.

Create a Free Parent Account

To set up an account, you will need your child’s Reflex login information: (teacher’s Reflex Username, the name of the Reflex Class, and your child’s Reflex Password).

1. Go to reflexmath.com/parent
2. Follow The onscreen instructions to create your free account
3. Go to www.reflexmath.com/reports
4. Once you are logged, follow the instructions to add your child.
5. Once registered, launch the parent account at www.reflexmath.com/reports to log into your new account. Enter your Username (your email address) and Password and click Submit.

If you have any questions about Reflex, you may contact ExploreLearning directly, via email at support@explorellearning.com or by phone at 866-882-4141
