Welcome Back

Welcome to the 23-24 school year! We look forward to working together to create a great year. The best way for you to get involved is to consider joining the PTA. Being a PTA member does not mean you have to volunteer your time. It means you will:

- Receive important email/text communications about school wide events, activities, and fundraisers.
- Have opportunities to meet other Lakeview parents.

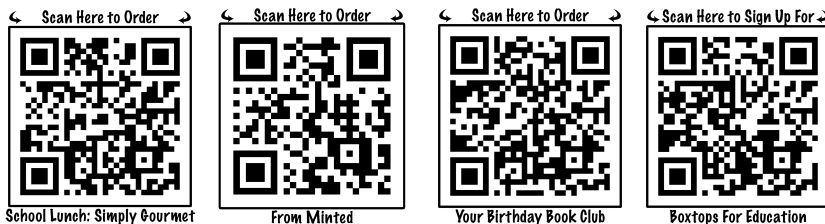

We hope you consider becoming a member and also supporting our events & fundraisers.
