Candy Wrapper

TRASH Recycling Challenge

TREASURE

Bring in your Halloween candy wrappers and deposit them in the Trick or Trash recycling box inside the STEM Lab!

You don't have to trash those candy wrappers and doom them to an eternity in a landfill - or, even worse, our oceans.

By putting your wrappers in the custom candy wrapper recycling box, you can keep our planet clean and contribute to the circular economy.

Thank you for helping to make Halloween sweet and sustainable!
